

Campground Map

Organ Pipe Cactus National Monument encourages you to take an active role in keeping your campground safe and enjoyable for all. You can help prevent crime by reporting suspicious activity.

A Campground Host is available during the winter season and can be contacted at campsite number 41 or 120. If no Host is available, contact a park staff member in case of emergency or if you observe any of the following: suspicious vehicles or persons, vandalism, theft of cactus or other plants or animals. If you observe criminal activity- **Do not attempt to take action yourself.** Please note the location, description of vehicle or persons involved, license plate number (if possible), and report the incident as soon as possible to park staff.
